Regarding the involvement of Indian doctors to work in Kazakhstan

Dear madam,

We hereby inform you that in accordance with the order of the President of Kazakhstan, in 2015 in Astana was built and commissioned the new building of the Medical Center under the Administrative Department of the President of the Republic of Kazakhstan. Currently, the medical center is successfully providing appropriate services to civil servants and other categories of the population of Kazakhstan in the framework of guaranteed free medical care, as well as on paid contractual basis.

At the moment Medical Center under the Administrative Department of the President of the Republic of Kazakhstan conducts work on attracting highly qualified foreign medical personnel to operate in the above-mentioned medical institution.

In this regards, Embassy is kindly asking you to share this information with those doctors who will be interested to work in Kazakhstan.

Requirements for candidates, as well as contacts the Medical Center can be found in the attached table.

Thank you in advance for understanding and cooperation.

Sincerely yours,

AMBASSADOR
